Independent Auditors' Review Report on Standalone Unaudited Financial Results for the Quarter and Nine Months ended 31st December 2024, of Simplex Infrastructures Limited, Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors
Simplex Infrastructures Limited
27, Shakespeare Sarani,
Kolkata – 700 017

Qualified Conclusion

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Simplex Infrastructures Limited** (hereinafter referred to as “the Company”) which includes 14 joint operations for the quarter and nine months ended December 31, 2024 (“the Statement”) attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, (the “Listing Regulations”).
2. The Company’s Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) “Interim Financial Reporting” prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company’s Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion
4. **Basis of Qualified Conclusion**
 - (a) Note No 8 to the statement, the Company has not provided any interest charge on fund based borrowing facilities provided by various non-assigned Lenders for the nine months ended 31stDecember 2024 Rs. 8,819 lakhs. Had the aforesaid interest expenses been

recognized, the finance cost, profit/(loss) before tax, profit/(loss) after tax and total comprehensive income/(loss) would have been impacted for the nine months ended 31st December 2024 to that extent.

5. Based on our review conducted as above, except for the effects/ possible effects of the matters described in para 4 herein above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Emphasis of Matters

We draw attention to the following matters:

- a) Note 1 regarding pending certification of unbilled revenues pertaining to earlier years aggregating Rs. 75,080 Lakhs. As per the management, they are in regular discussion with the concerned customers for completion of necessary certification which often takes significant period of time and varies from project to project and also believes that above unbilled revenue will be billed and realized in due course.
- b) Note 2 regarding certain old balances of trade receivables of Rs. 19,575 Lakhs due from customers against various projects are outstanding for a considerable period of time but management is of the view that these are good at this stage and recoverable.
- c) Note 2 regarding retention monies amounting of Rs 5,999 Lakhs which is receivable only after contract is completed, clearance of final bill by customer and after expiry of defect liability period was pending for settlement. Management regularly reviews the old outstanding retention monies and in the opinion of the management, the retention amount is good and recoverable.
- d) Note 2 regarding old inventories aggregating Rs.843 lakhs pertaining to certain completed projects in the view of management are readily usable.
- e) Note 3 regarding old loans and advances pertaining to earlier years amounting to Rs. 35,927 lakhs. As per the management of the company is in active pursuit and confident of recovery/settlement of such advances within a reasonable period of time.
- f) Note 7 to the accompanying statement, regarding overdue debts to its Bankers and other financial lenders (non assigned) amounting to Rs.84,225 lakhs.

- g) The Company has recognized net deferred tax assets amounting to Rs. 95,976 lacs as at December 31, 2024, which includes deferred tax assets on carried forward unused tax losses, unused tax credit and other taxable temporary differences on the basis of expected availability of future taxable profit for utilization of such deferred tax assets. The management is confident that the deferred tax assets will be set off against the current tax liabilities on future foreseeable taxable profit by the Company.

7. The Company has incurred net loss of Rs.3,358 lacs during the nine months ended December 31, 2024, as also there is overdue debts, to its bankers and others (non assigned) amounting to Rs.84,225 lacs.
