For revival and business growth of the Company upon implementation of financial restructuring, the Company will need to augment its working capital resources and incur capex necessary from time to time. For the above purposes, the Company needs to raise equity resources as banking facilities may not be available in the near future.

The fund raising may involve a combination of equity and/or equity-linked instruments, as deemed suitable. Accordingly, the approval of the Members is sought for the issuance of securities that are linked to or convertible into the Company's Equity Shares. The Company shall issue Securities through Qualified Institutional Placement (QIP) in terms of Chapter VI of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements)
